This adventure of love, family and belonging speaks to us all.

May Birthdays

In astrology, those born from May 1–20 are Taurus' Bulls. Bulls are reliable workers who take a slow-and-steady approach to finishing tasks. They do expect a reward for their hard work and love little indulgences.

Those born from May 21–31 are the Twins of Gemini. Energetic and spontaneous, Geminis are great at connecting with

others, making them ideal candidates for networking and sales.
