Lecture: John Pruitt – Tell It True

John Pruitt covered the news of Atlanta and Georgia as television anchor and reporter for half a century. His major stories include the assassination and funeral of Dr Martin Luther King, Junior, Jimmy Carter's rise from obscurity to become Georgia governor and President of the United States, eleven Democratic and Republican Conventions, the 1983 bombing of a US Marine barracks in Beirut, Lebanon, and the aftermath of the September 11th attack on the World Trade Center. "I covered a number of momentous stories in my career," says John, "but none of them could equal the magnitude of the civil rights movement." His novel, ***TELL IT TRUE***, draws on his experiences covering the sometimes bloody clash between those demanding their constitutional freedoms and those determined to deny them those rights.
